

BACON & BREW

2020 PAIRINGS:

- 1. Traditional Bacon** with **Colonel Left Eye IPA** 6.8% ABV
Our Flagship IPA. A perfect balance of gritty hops and sweet malt with citrusy, and somewhat floral background notes. Hopped with Mosaic, Chinook, Citra, & Cascade. This IPA bears the moniker of Eastonian & Lafayette College grad Colonel Charles Wikoff who lost his life leading the charge up San Juan Hill, an action generally attributed to Teddy Roosevelt.
- 2. Applewood Bacon**, smoked with straight PA apple wood, paired with **Mt. Vernon Lager** 5.0% ABV
A pre-prohibition style lager. All malt, light hopping and super clean. Prior to being the site of Two Rivers Brewing Company, the building was known as the Mt. Vernon Hotel.
- 3. Black Pepper Bacon**, coarse black pepper-crust and hickory-smoked paired with **Pine St. Blonde - Belgian Blond** 5.2% ABV
A Belgian Wit lightly spiced with coriander and bitter orange peel. Named after the ladies who plied their trade on Pine Street, Easton's "Red Light District" during Prohibition.
- 4. Cinnamon Roll Bacon**, (you'll swear it's a cinnamon roll, yet it's bacon) paired with **Seven Spirits Pumpkin Ale** 5.3% ABV
Amber ale brewed with pumpkins and pumpkin pie spices. In Fall of 2013 and Fall of 2014 ghost hunters from Makoul Paranormal stayed in the brewery overnight and used their sophisticated recording equipment to identify seven spirits that live in the building.
- 5. Maple Turkey Bacon**, a new sweet offering, featuring flavors of maple syrup and smoke, that pairs well with **Bacon Brown Ale** 4.5% ABV
Malty bacon perfection.
- 6. Garlic Chipotle Bacon**, a marriage of sweet and savory, mixed with smooth pecan wood smoke, paired with **Dutchtown DIPA** 8.1% ABV
Our oat double IPA, kettle and double dry-hopped with Azacca, Motueka, and Mosaic hops. Juicy and hazy with flavors of candied mango, pine needles, and blueberry punch. Named after the area along Northampton Street between Sixth and Seventh Streets which originally was a Pennsylvania Dutch Community.
